# UEA DramaSoc : Not Afraid To Make A Scene

The UEA DramaSoc is one of the largest and most active societies at UEA, encouraging a love of theatre and performance both on and off stage! We are drama enthusiasts from all aspects of the theatre, dedicated to learning more about production and performance: we take trips to a variety of local and international shows, host workshops with professional practitioners and showcase new student works in our annual short play festival. These activities, combined with the talent and enthusiasm of our members, enable us to stage some of the best student theatre in the country.

*Please do not hesitate to contact us if you are interested in becoming a member – our contact information is detailed on the back!*
