You are about to join us abroad the Intergalactic Starship, Albartross!

After an unexpected shower of asteroids forces the crew to crash land on the mysterious planet, D'Illyria, nothing is as it seems...

Loosely based on Shakespeare's The Tempest, Sci-Fi "B" Movie, 'Forbidden Planet', and set to sensational 50s and 60s hits! So fasten your seat belts for a Rock 'n' Roll ride through space. We hope you enjoy your flight.
